Dear Susan
Please contact me as soon as possible regarding Albie's speech in Harare, during the Most Loved Competition last year. I faxed him a copy of the speech some time ago. I am hoping to take all the material to the printers in Zimbabwe middle of next week. This means we need Albie's speech by Friday or at the latest Monday, to do the editing. Could you please let me know if that is possible? With kind regards,

Christif Hayes
