Describe what happened: Report received that a fixed special voting station was operating at Bothasig whereas the District Electoral Officer Alan Jerby-Lewis had not informed us on the official list supplied to parties that there would be a station there. As a result, there was no ANC agent present from the start of voting until 12 when we were able to deploy an agent there.

What did you do about it? Confronted with Wilfred Hambloy (Presiding Officer) - very apologetic + said error lay with District Electoral Officer. Checked with 2 IEC monitors who said that all correct procedures were followed at start of day. Indicated to P Officer + District El. Officer that we would record an objection, but did not wish any further

What action was taken by the Presiding Officer or other officials?  
drastic action to be taken such as closing the station etc.

**NOTE:** Please keep this form and give it to your District Election Agent.
