COMMISSION
OF THE EUROPEAN
COMMUNITIES

Brussels, 18 XII. 1991

The President

SG (91) D/24943

Dear Co-Chairpersons,

This letter serves to respond to your invitation to the European Commission to attend the first plenary session of the Convention for a Democratic South Africa on 20 and 21 December 1991, for which I thank you. I have the pleasure to inform you that the European Commission will be represented by Mr. Karl-Heinz Narjes, former Vice-President of the Commission.

In the name of the European Commission, I wish you every success with the Convention. The process of negotiations which is starting now under your guidance will, I trust, lead to the establishment of the united, non-racial and democratic South Africa that the European Community and its member States have supported throughout the past years.

Yours faithfully,

Jacques DELORS
