GAY RIGHTS

Dear Albie,

Copies of further articles enclosed:-

- (1) from the Weekly Mail, had you seen it?
- (2) mine in "Rouge";
- (3) a further article in "Scene Out", prompted by mine in the previous issue. Note the pro-D.P. position; the interview obviously unaware of the rebuff the DP majority amongst M.P.'s gave to the few who raised the issue!
- (4) An article in "Square Peg" by Glenn Shelton, who was involved with Simon Akoli in launching GLOW. I've contacted him - he's been in UK for 2 years now, doesn't propose to return. He's expecting a lot of GASA / GLOW papers from SA to be sent to him and will allow me access to that "archive" when it arrives.

That's all for now; looking forward
to your reply to my earlier letter
when you've had a moment.

Best Wishes

AMANDA!
