The Secretary for the Interior,  
Private Bag 114,  
PRETORIA.

Dear Sir,

On the 11th May I sent you a registered letter requesting a passport, alternatively, an exit permit, including all the relevant documents save for an income tax clearance certificate.

I would be grateful if you would acknowledge receipt thereof.

Today I received a communication from the Secretary of Justice a copy of which I enclose herewith. I also enclose a copy of a letter which I sent today to the Secretary for Justice. As it would appear now that future progress in connection with my application depends upon your Department I would be grateful if you could treat the matter with expedition.

Yours faithfully,

ADV. A.L. SACHS
