It was agreed that no action was needed on paragraphs 1 and 2 of page 5, and that the contents of paragraph 3 had already been addressed in terms of the report submitted by Task Group 1.

4.3 Task Group 2

This draft being incomplete, there was nothing to report.

5. ADMINISTRATION

This matter having already been addressed, it was agreed that the meeting should proceed to the next item on the agenda.

6. ANY OTHER BUSINESS

Regarding the press leak and the article which appeared in the Sunday Times, it was decided that as far as all non-plenary sessions are concerned, no verbatim reports or transcripts will in future be circulated. It was agreed that this decision should be communicated to the two co-chairpersons by M Maharsj and S van der Merwe.

It was noted that the matter of security during the run-up to CODESA 1 should be referred to the Sub-Committee for Security.

The request for a schedule of meetings to be held was noted. This will be faxed to members.

It was agreed that the item on the CODESA 1 agenda dealing with constitutional issues will automatically include the question of self-determination, and that this question will not, therefore, require a special place on the agenda.

It was agreed that the minutes of the meeting should be faxed to all delegates present, and that there would be no media statement following the meeting.

7. NEXT MEETING

The next meeting of the Steering Committee will take place at the World Trade Centre on Wednesday 18 December at 09h00. It was agreed that this meeting should be chaired by Dr Z de Beer for the purposes of maintaining continuity, but that there is no commitment to his chairmanship beyond December 20 and 21. Mr C Ramaphosa's comments in this regard were noted, with other issues in mind.
