Management Committee
CODESA

URGENT FAX TRANSMISSION

Dear Mr Gordhan,

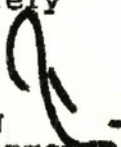

RE : TASK FORCE ON THE RELEASE OF POLITICAL PRISONERS

We understand that the Management Committee has suggested the establishment of a group to finalise this issue, and that such group would include the Department of Correctional Services, the Department of Justice, the Human Rights Commission and 'other experts'.

In the light of the above, and in the light of our lengthy submission to Codesa on this very issue, we would like to offer our services to this group. We believe that our lengthy involvement in this matter, both in terms of our participation in the Audit Committee during 1991 as well as our representation of numerous persons at the Indemnity Committees, will ensure that our contribution to this group is a constructive and informed one.

We would appreciate it if you would contact us regarding this matter as soon as possible.

Yours Sincerely

BRIAN CURRIN
EXECUTIVE DIRECTOR
