Secretary to Working Group 1
Codesa
PO Box 307

Dear Mr. Erentzen

Thank you most kindly for your invitation to the Steering Committee of the Codesa Working Group looking at the creation of a climate for free political participation [including the role of the media in the transition].

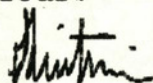

As Codesa, and, thus, this Steering Committee, is a representative body we will unfortunately not be able to send only two representatives from our Steering Committee to the Conference. Some members of the Committee will be attending the conference as representatives of their political organisations. We, therefore, feel that to nominate two members as Codesa representatives would be inappropriate.

However, the Steering Committee and Working Group are extremely interested in the proceedings of the Conference and would be most grateful if you could submit all papers and proceedings of the Conference to myself at your very earliest convenience.

I will be in Cape Town from Saturday 1 February until Tuesday 4 February. If it will be possible to receive these papers on Monday the 3 February, I will be in a position to submit them to the Steering Committee at our meeting on Monday evening. I can be contacted at 439 2727 or 7977557 in Cape Town.

If you need to contact me before this weekend, please call me at (011) 4916026.

Yours sincerely

Andrew J. Feinstein
[Codesa Working Group Secretary]
