The Chairman
Codesa

Dear Sir

I am writing on behalf of the Muslim community as an Islamic Leader of our people and also being the head of Islamic Culture with the above Department. It seems that we have not been invited to your meetings and our people seem to think that we have been left out with regards to becoming a new South Africa.

I hopefully wish you would give my request urgent attention and would be able to consider us in the future.

May God almighty shower his blessings upon you and peace to every South African.

Yours faithfully

24/2/92.

Sir

With reference to your letter dated 18/2/92 I wish to advise as follows:

That CODESA involves in the main political Parties and/or Organisations.
That CODESA encourages every other Interest Group to make submissions to any of its 5 Working Groups depending on what issue the Interest Group wishes to make a submission on.

Therefore, as you can make a submission as an interest group (rather than a participant) I enclose for your consideration a copy of the Terms of Reference of Working Groups of Codesa detailing the brief of each.

In the meanwhile, to facilitate the Management Committee's consideration of your request, you are kindly requested to respond to the attached questions and return it to the CODESA office.

Wishing you all the best.

Yours Sincerely

Murphy Morobe
