Isando 1500
Johannesburg
South Africa

Dear Mr. Samuels:

I understand that you are, with Working Group,
trying to negotiate for the release of political prisoners
in South Africa.

I also understand that Pretoria continues to
arrest hundreds of people for political reasons.

Thank you for working for the release of these
people. Please persist. Many in this
country are supporting of you in this struggle
for a New South Africa responsible to the
majority of its people.

Sincerely yours,

Margaret Weber
