THANKS FOR YOUR PATIENCE - SORRY TO WORRY YOU YET AGAIN

FROM : FFF

18 December 1991

Dear Murphy and Zach

We were unable to reach you on the telephone and so thought it might be more convenient to fax you.

We were wondering if any decision had been made as to the children's banner presentation and thought we would propose that the banner be presented or simply handed over to yourselves on Friday morning. Even if it isn't possible, for security reasons, for us to gain entrance to the World Trade Centre, perhaps we could hand it over to you immediately outside.

Thanks very much for your support thus far, it is greatly appreciated.

Once again if you need our help during the conference please feel free to call on us.

Yours

Jenny Button
