Dear Albie,

THE SOFT VENGEANCE OF A FREEDOM FIGHTER

The BBC are getting on with the script, which is now in its second draft. They would be delighted if you wished to peruse it, and let them have any amendments and suggestions. As a matter of fact one of the people involved in the development, April De Angelis, would very much like to discuss things with you over the phone. Let us know if you are happy for us to give her your fax and/or telephone number.

Best wishes,

*slave*  
*Rachel*
