## **PRESS STATEMENT RE COSAS ISSUE**

The ANC met last night with the broad MDM structure to discuss the broad campaign direction for the weeks ahead.

It was decided to issue a joint press statement about some of the concerns raised at the meeting.

It must be made clear, however, that the COSAS programme of action has not yet been specifically discussed by the ANC and COSAS and that another meeting will be convened to address this issue.

The results of this meeting will be announced once the ANC has had an opportunity to discuss its outcome.
