Dear Mr Ntsele

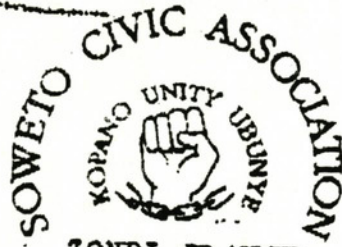

Thank you for your letter of invitation to your Day of Prayer on 23 February.

We regret to inform you that we are unable to accept the invitation as CODESA is a process, rather than an organisation. All that we do at this office is to co-ordinate and provide administrative services to the numerous "CODESA" meetings. We therefore have no formal organisational way of acceding to your invitation. We can however supply you, if you so request, with addresses and telefax numbers of all the Parties and organisations taking part in CODESA.

May you have a successful Prayer Day.

Yours Sincerely

M Morobe
