

**TO: ALL MEMBERS OF THE MANAGEMENT COMMITTEE**  
**FROM: THEUNS ELOFF, FOR CODESA**  
**RE: HEADS OF DELEGATIONS OF WORKING GROUPS**  
**DATE: TUESDAY 21 JANUARY 1992 AT 11H00**  
**STATUS: URGENT**

---

It is requested that members of the Management Committee urgently advise the CODESA Administration of the names of the heads of their organisation's delegations in each of the 5 Working Groups, together with relevant fax numbers for each of the five.

We would appreciate receiving this information by 09h00 on 22 January 1992, at the latest, as draft minutes of Monday's meetings must be timeously distributed.

This request is made in light of the fact that most Working Groups have decided that draft minutes and other documentation for the Groups should be faxed only to the heads of delegation. Such decision has been taken in the interests of confidentiality and practicality.

Heads of delegations may obviously make the information transmitted to them available to other Working Group delegates and advisers on a confidential basis.

Alternatively, should your organisation wish to appoint one co-ordinating person to receive and distribute all information relevant to the Working Groups, then please supply the name and full contact details (phone, fax, postal and physical address) of this co-ordinator, and we shall gladly comply.

For your convenience in identifying your five heads of delegation, please find attached a complete list of Working Group representatives.

**RE: HEADS OF DELEGATIONS OF WORKING GROUPS**  
**DATE: TUESDAY 21 JANUARY 1992 AT 11:00**  
**STATUS: URGENT**

It is requested that members of the Management Committee urgently advise the CODESA Administration of the names of the heads of their organisation's delegations in each of the 5 Working Groups, together with relevant fax numbers for each of the five.

We would appreciate receiving this information by 09h00 on 22 January 1992, at the latest, as draft minutes of Monday's meetings must be timeously distributed.

This request is made in light of the fact that most Working Groups have decided that draft minutes and other documentation for the Groups should be faxed only to the heads of delegation. Such decision has been taken in the interests of confidentiality and practicality.

Heads of delegations may obviously make the information transmitted to them available to other Working Group delegates and advisers on a confidential basis.

Alternatively, should your organisation wish to appoint one co-ordinating person to receive and distribute all information relevant to the Working Groups, then please supply the name and full contact details (phone, fax, postal and physical address) of this co-ordinator, and we shall gladly comply.

For your convenience in identifying your five heads of delegation, please find attached a complete list of Working Group representatives.

This request is made in light of the fact that most Working Groups have decided that draft minutes and other documentation for the Groups should be faxed only to the heads of delegation. Such decision has been taken in the interests of confidentiality and practicality.

Heads of delegations may obviously make the information transmitted to them available to other Working Group delegates and advisers on a confidential basis.

Alternatively, should your organisation wish to appoint one co-ordinating person to receive and distribute all information relevant to the Working Groups, then please supply the name and full contact details (phone, fax, postal and physical address) of this co-ordinator, and we shall gladly comply.

For your convenience in identifying your five heads of delegation, please find attached a complete list of Working Group representatives.
