Don't know when a/c'd
arrested.

Sgt van Lits in charge of on-duty
He asked me to take a/c'd to
Magistrate.

The Sergeant in charge of charge
office showed me who the
fellow is.

van Lits told me to take the
Chap to Magistrate
In the offend he told me d
Mankland to take the a/c'd
to Cape down in the pm

± 11 am. Lits told me to take.
He told me to take the chap in.
But bet veeling getief.
He did not show me who

✓
The fellow was

Gave me the name
In the sheriff's office got the
acc'd.

I was on duty that day.
Van Lits said I must take aged
acc'd to Landros Swarts as ~~the~~ aged
wishes to make a statement to
him.

I knew what ~~is~~ the statement
would be about. I had worked
on other cases with Van Lits.
The acc'd are in all the places
I do not know about Bellville.
Van Lits undersøek this case at
Milwinton & Hartland
I was not by when he
was arrested.

I do not know that he made
 a statement to Van Lits
 I knew that Van Lits ^{was} ~~was~~

interrogating them

I do not know if Van Lits
 took statements from the ^{acc.}
 with him.

I was not

I do not know if any of
 those in the Milverton case

was sent to Bellville.

I would ^{not} know if somebody

from some other place was
 brought to Matthew's ^{chief} office

I never said anything about
 them going back to Bellville.

I was with a ^{me} ~~me~~ ^{blanche}

Spender ^{or} ~~or~~ ^{he} ~~he~~ ^{took} ~~took~~ ^{him}

to the magistrate
He was not handcuffed &
not held.

It's possible I said something
to him.
He knew I was taking him
to the magistrate.
I accepted that fact that he
knew.

It's possible I said to him
he's going to the Landro.
I did not say to him he must
tell the truth.

It's possible I said to him we
are going to the magistrate
~~that~~ I did not say anything

to him when he came out.
I suppose he knew I'd take
the statement back with
me.

It's no use that I said
that he would go back to
Bille if he did not give the
same statement to Malishole
as to the Sgt.

I know of no threats that
emanated from Bille.

As a result
no document is given
against my principle to make
threats
