20/3/92

Management Council of Codesa
Fax: (011) 397-2211

On behalf of the Business and Professional Women of Randburg:

We request adequate representation at the Codesa talks.

There is no reason why women should be excluded from the normal democratic process.

We feel that the calibre of business and professional women in this country could make a meaningful contribution in the formation of a fair and democratic South Africa.

Yours Faithfully,

(Mrs) E L Richmond
Secretary.
