

Report from Party Voting Agent

[B2]
26/4.

Larvine Platzky Volkshospital, Cape

On arrival at Volkshospital the Matron told me that the Presiding Officer Mr Glen Pratt had seen her the day before (25/4) + told her special notes would be administered between 16.00 + 17.30 on 26/4. He met the Matron at 11.00 on 25/4 + I was not notified of the change.

Furthermore, when the Matron of Volkshospital had Meerwendal Nursing Home telephoned, they reported that voting would take place from 16.00, not 16.30 as I was informed, on 26/4/94.
