SUBMISSION BY CISKEI GOVERNMENT IN CONNECTION WITH PARTICIPATION
IN CODESA BY THE KING OF THE ZULUS AND OTHER TRADITIONAL LEADERS.

Recognising that participation in CODESA, on as broad a basis as possible, is essential; it is recommended to the MC, that in addition to Political Parties, Movements, administrations, and Governments, hereditary leaders be allowed to fully participate in CODESA to represent that section of the people not otherwise represented.

The Ciskei Delegation therefore gives it full support that the King of the Zulus be accepted as a delegation to CODESA and that mechanism be found to secure representation at CODESA of other traditional leaders, as both represent a section of the population which is not otherwise represented.
