RE: CODESA SECURITY

Please find attached information relevant to members of Codesa Security.

Kindly distribute to the person in charge of the security volunteers nominated by your organisation.

Thank you.

FACSIMILE

From: CODESA Security Committee

Date: 1 February 1992

1) Responses to fax dated 20 January 1992

We thank you for your prompt response to our request for names of security volunteers. It should be noted that no more names will be accepted. Until further notice, the list is now closed.

2) Reporting for duty

There is no need for a large concentration of security personnel at the WTC. In our assessment, at this stage it would be sufficient to have two of the volunteers put forward by your organisation to serve as part of the CODESA security personnel team for the month of February. These two volunteers will then return home at the end of February and be replaced by alternative from your organisation for the month of March.

We therefore ask you to select TWO from your list of volunteers and have them report for duty by 9h00 on Tuesday morning 4th February 1992 when there will be a briefing meeting for these two volunteers, along with the rest of the volunteers from other organisations.

3) Travel and accommodation

Travel and accommodation arrangements for personnel to reach the World Trade Centre can be arranged by contacting Elize Strumpfer or Jenny at (012) 323-3506. After arrival at the WTC, personnel will be registered and then transported to their accommodation.

The volunteers will be provided with food and accommodation nearby the WTC. A shuttle service between their accommodation and the WTC will be provided.

4) Dress

The volunteers reporting for duty must be prepared for a stay of one month. All security personnel are kindly requested not to wear their customary uniforms. The Security Committee suggests that the men wear instead a blue blazer, white shirt, black tie and shoes.

5) Weapons

No weapons are to be brought by volunteers. Any volunteer who brings a weapon will have to hand this in for the duration of his/her stay. Should any equipment be required for security work, this will be provided by at the WTC.

6) Identification

All volunteers reporting for duty must produce identity documents.

Thanking you for your cooperation.
