The CRAN Commission (Commission to Research Restructuring Arts in Natal) is an independent body composed of members of the Natal Cultural Congress (NCC) and officers and board members of the Natal Performing Arts Council (NAPAC).

Noting that

- 1) South Africa is one of the few nations lacking a public arts policy, Ministry of Culture or equivalent;
- 2) That presently existing Performing Arts Councils may be replaced, restructured or simply terminated by a future government;
- 3) That publicly subsidized arts and culture are vital to the quality of civil life and mass education in all countries at all stages of development;

The CRAN commission respectfully requests that a discussion of cultural policy with particular reference to publicly funded arts bodies be placed on the agenda of CODESA.

CRAN also requests an opportunity to make submissions to CODESA if the above agenda item is adopted.
