PRESS STATEMENT

We were deeply shocked and grieved to hear of the senseless killing of Mr Kenneth Nxu, an ANC member who has played a major role in the community for many years.

Mr Nxu was well-known and well-loved and will be greatly missed by the many people to whom he has selflessly rendered service over the years.

In particular, he will be remembered for the selfless service he rendered to many victims of police violence during the 1980s, often at great risk to his own personal safety.

We extend our heartfelt sympathies to Mr Nxu's family in this time of sorrow and call on the police to institute an immediate investigation into this appalling murder of yet another key member of the Cape Town community.
