Dear Mr Feinstein

FUNDING OF POLITICAL PARTIES

I wish to draw your attention to the following:

On 24 March 1992 I gave notice that at a following meeting I would submit a paper on the topic "Funding of political parties".

At a subsequent meeting on 30 March 1992 I was inhibited from raising the issue at "Sub 3" and was it referred to the Steering Committee. Again, neither is reference made in the Minutes of the Steering Committee nor does this item appear on the relevant Agendas.

Please adjust and rectify where indicated and have same incorporated in the relevant Agendas.

With kind regards
