From
UNCLE BILL

CHARLES STEWART MOTT FOUNDATION

March 9, 1992

Murphy Morobe, Convenor
CODESA
Johannesburg, South Africa

Dear Murphy:

As you may know, the Charles Stewart Mott Foundation where I am employed has a program in South Africa that supports a number of community based organizations such as the Wilgespruit Centre, the Community Law Centre in Durban, Montagu and Ashton Community Service in the Cape, etc.

Mr. Willard Hertz has directed this program since its inception in 1988. Will is retiring at the end of this year and the Foundation has asked that I take over the program upon his departure.

I will be making an initial trip to South Africa at the end of this month. I will be accompanied by William S. White, the President of the Mott Foundation and Maureen Smyth, the Vice President of Programs at the Foundation. We are hoping that the three of us could meet with you for any the referendum and the developments with CODESA which I understand will reconvene in April.

We would be available to meet with you on the following dates:

- Wednesday, March 25th, at lunch or in the afternoon;
- Thursday, March 26th, any time after 2:00 p.m.;
- Friday, March 27th, at breakfast or anytime during the day.

Sometime Friday would be ideal. Bill and Maureen will be staying at the Carleton Hotel so we could meet you there or at a place of your choosing. Please let me know as soon as you can whether any of these times will be possible for you. You can fax a response to me at (313) 238-8482.

I look forward to see you soon! Roger sends his regards.

Sincerely,

Christa L. Kuljian
Program Associate
