The Director
Administration
Codesa
Trade Centre
Kempton Park

Minutes of working groups

Keeping abreast of progress made at Codesa is indispensable to a thorough understanding of the process of transition in South Africa - as newspaper reports are insufficient for my purposes I would appreciate it if you could provide me with the minutes or summary of the proceedings of the working groups on a weekly basis. [Either by post or fax .]

I would appreciate it if you would consider my request favourably.

Thanking you in anticipation.
