Dear Sir/Madam:

Our library, which is on the campus of Stanford University, would like to obtain any publications regarding CODESA and its work. These would be very useful to students and faculty here wishing to learn about the work of CODESA.

We would be interested in obtaining the proceedings, reports, any newsletters, press releases or other publications from CODESA. We will be willing to pay for the publications.

Thank you very much for your help. I look forward to hearing from you.

Yours truly,

A handwritten signature in cursive script that reads "Karen Fung".
