re: TOMORROW'S MEETING OF THE D M C

1. You will remember that I told you on the telephone that I have an unbreakable engagement which will not end before 2 p.m. That means that I cannot join the DMC before 14h30.
2. I received information this morning that Frank Mdlalosi is in hospital and will be unable to attend. The request from Inkatha is that their proposed amendments to the Declaration of Intent be referred to the next meeting of the Management Committee. I asked that Mr. Gordhan be informed.

**1992 NEW YEAR MESSAGE**  
**TO ALL PARTICIPANTS IN THE NATIONAL PEACE ACCORD.**  
**AND TO ALL PARTICIPANTS IN CODESA.**

1992. 1. 02.

THROUGH : THE CHAIRMAN OF CODESA'S MANAGEMENT COMMITTEE  
DR ZAC DE BEER.

The Sun HAS ALREADY risen upon the dawn of a New Year, the first day in the National Peace Accord, and the first day in CODESA. The Sun HAS ALREADY risen upon the dawn of 1992.

What do I wish for you and all your Colleagues in the various structures of the National Peace Accord and CODESA - born in 1991? Certainly no less than what I wish for myself!

In this New Year of 1992 may God the Almighty shower us with His Blessings :-  
To Love and not to hate,  
To Share and not to monopolise,  
To Trust and not to suspect,  
To Build and not to destroy.

For it is in Loving, in Sharing, in Trusting and in Building that the New South Africa we all long for will be soon born.

God Bless you and support you in your efforts in 1992.

Yours sincerely
