Submission to CODESA working groups 1 & 4

Enclosed please find two documents entitled "Problems in the creation of a climate for free political expression in Bophuthatswana"

One is a submission for working group number 1 on the 'Creation of a climate for free political expression', and the other is a submission for working group number 4 on 'The future of the TBVC states', subcommittee on 'Testing the will'. They are labelled according to the intended working group.

We would appreciate these documents being distributed to the relevant working groups.

Yours faithfully,

Laura C. Taylor
