

**ATTENTION: ALL WGSC1 MEMBERS**

**FROM : Mr WEBB**

**DATE: 27/2/92**

You will recall the long discussion at the WGSC1 meeting regarding the SG2 request to invite the National Peace Committee to its next meeting.

The Secretariat of the DMC has approached the Secretariat of the of the National Peace Committee to provide SG2 with a briefing in writing dealing with the issues SG2 is interested in. The issue of an oral briefing is open to consideration once SG2 has looked into the written briefing. The NPC Secretariat has undertaken to provide the written briefing as soon as possible. It is hoped this will available in time for the next meeting of SG2.

I have communicated with the DMC on the understanding that you have no major objections.

Please let me have your urgent views if you do not agree with my decision. I may be contacted at 012 3414313 until 4pm today and at 0401 93032 (office) or 0401 92651 (Fax) or 0433 23077 at home.

Yours Sincerely

*P.P. K. Marjan*
