PER TELEFAX

Dear Sir

MANDELA BIRTHDAY COMMITTEE and DR A A BOESAK vs R DURING

We acknowledge receipt of your telefax dated 27 April 1992 and have to advise you that the matter is presently being considered by Working Group No. 1 at Codesa. A letter from Codesa is enclosed herewith for your information.

We cannot understand why your client wishes to institute action in this matter when the whole future of the country, including this matter, is being considered by Codesa. Our clients at least expect the parties at Codesa to show some good faith in the negotiating process.

We must therefore call upon you to leave the matter in abeyance until we hear from Codesa.

We have forwarded your letter under reply together with this response to Codesa to show them the urgency of this matter.

We hope you will comply with our request.

Yours faithfully
E. MOOSA, WAGLAY & PETERSEN

Dear Sir/Madam

Re: Submission to CODESA WG1

Thank you for the submission you made to CODESA WG1. The information provided was of great value to the Working Group. Many of the issues that you brought to the Working Group's attention have been raised by delegations in the course of our deliberations.

It is the intention of the Working Group to make further progress with our deliberations before deciding on the issues on which we require additional expert evidence. We would, therefore, be grateful if we could again consider your application in a few weeks time, once the Working Group Sub Groups have finalised their needs with respect to expert input at which time we may request an oral submission on specific items.

Thank you most sincerely for your interest in and contribution to the CODESA process.

Yours Sincerely

Mick Webb
(on behalf of WG1)
