Re: Invitation to lunch

I was not in my office when you called to suggest a change of date from 26th February to March 10. It would seem that there has been a misunderstanding about my accepting the invitation for that date. As you may be aware, CODESA's schedule, especially that on Mondays and Tuesdays simply does not allow me to be at the Centre by that time.

When considering an alternative date please consider any day other than Monday and Tuesday. I'll appreciate it if you could give me a call so that I could check it against my diary.

Kind regards

Dear Murphy,

I am delighted that you have accepted our invitation for luncheon at The Star on 10 March at 12.45am. The luncheon will take place in the Northern Penthouse. If you would let the Editor's secretary (Tel. 633-2201) have your car registration, we will arrange parking for you in the basement of the Star building and meet you there.

The Editor-in-Chief, Richard Steyn, and senior editorial executives will be attending, and the discussion will be off the record - I'm sure you will enjoy it.

Kind regards,
