# THE ANIMAL GROUPS ALLIANCE

Dear Albie Sachs,

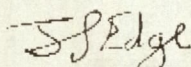

This is to express our pleasure at the fact that you will be meeting with us at 49 Parliament Street on Saturday the 26th of March 1994 at 2pm.

We agree that the meeting will be an exploratory one, in the context of your letter of January 20 1994, from which we quote:

"This is a very new area for us and has to be properly prepared. At the very least, all people shall have the right to articulate their concerns and to get a reasoned response. We would want to know what the current legal position was, the defects in legislation and what the consensus amongst Animal Rights advocates is in relation to what needs to be done now."

We understand that you have kept Dr. Zola Sweyiya, chair of the ANC Constitutional Committee informed and that you will pass onto him the results of the meeting.

Yours sincerely

Jacquelyn Edge
