Dear Albie

We have been trying to contact you but have been unsuccessful. Hein Willemse has suggested that an appropriate time to do the interview would be next Friday (3 April). He too has been trying to contact you. Does this time suit you? Hein's number is 981-4950. We will be calling Susan this afternoon to discuss further arrangements.

Best wishes

Dear Professor Sachs

We are currently making two films for SABC's Arts on One. The first is a ten to fifteen minute investigation into censorship of the arts in a new, democratic South Africa.

The second is a twenty minute investigation on Resistance Art in South Africa over the last decade. We are going to be filming in Cape Town on Wednesday 17 June and Thursday 18 June.

Would it be at all possible to squeeze in an interview with yourself on one of these days. We would need approximately 3/4 of an hour with you.

In particular, I would appreciate a comment from you for the censorship programme. I believe that your contribution to the programme is essential due to the role that both you, and your organization, has played, and will continue to play, in relation to this issue.

Please can you phone or fax me at the above numbers as soon as possible so that we can discuss the matter in greater detail.

Kind Regards

Joy Wilson

Dear Mr. Sachs,

This letter will introduce Mr. J o a c h i m R i e d l, contributor of the German magazine MERIAN, a prestigious monthly publication (circulation appr. 250.000 copies) which dedicates each issue to one specific area or country of the world.

MERIAN's special issue on South Africa is scheduled for publication in October of this year. One of the center pieces will be an essay on the most influential personalities who will shape the face of the future Republic of South Africa. In this context we are turning to you with our request to grant our reporter and photographer an appointment.

The article will be written by Mr. J o a c h i m R i e d l, one of our long standing contributors. He will be accompanied by the well known Johannesburg photographer G i s e l e W u l f s o h n. Mr. Riedl will be travelling to South Africa in the first two week of May, and we hope it will be possible for you to arrange a meeting.

MERIAN's contributor on the spot is Mr. T o m S c h i m m e c k, who can be reached in Johannesburg (Tel. 2711/296167; Fax 2711/294354). Please be so kind to advice him when and how an appointment might be conceivable. In any case Mr. Schimmeck will contact you within the next few days.

We appreciate your cooperation very much and hope to hear from you as soon as possible.

Yours sincerely,

Dr. Erwin Brunner  
Dep. Editor in chief

Dear Mr. Sachs,

thanks a lot for your call. Monday would be fine. I'm not sure whether the hotel or the World Trade Center is better for the interview. The WTC has a more interesting atmosphere, but the hotel is most probably more quiet. Do you have an undisturbed place at the WTC? We should fix the time and venue as soon as possible, since I've to tell the camera team where and when to go to. I'll be in my office today till 6pm and tonight at home: Cell: 6486869.

Once a again: thanks a lot indeed and I'm looking forward to seeing you again,

Johannes Dieterich  
Johannes

There should be facilities at WTC - lot of rooms  
In principle free at 16:30  
might be returning to CRT that evening.

Dear Mr. Sachs,

I've to do a story on "white fears" for the German radio and I'd love to talk to you in that connection. The ANC-DIP already spoke to you about that and - as I understood - you have agreed in general. Since you couldn't make it the other day we have to arrange a new date now. When are you coming to Joburg for Codesa next time? Will you then have time for half an hour? Could you give me a call (an answering machine is connected under the number given above) or sent me a fax with a new date?

Thank you very much and I'm definitely looking forward seeing you,

request for interview regarding book-review for German television

Dear Dr. Sachs,

now it became true - fortunately or unfortunately : the German Television does want to have a short interview with you regarding your latest book which was translated into German recently - and they want to get it as soon as possible. So my question is: are you going to come to Jo'burg this week and is there any chance to talk to you for half an hour? I should get your answer as soon as possible since I've still to "rent" a camera team.

I'm looking forward seeing you again

  
Johannes Dieterich

Dear Albie Sachs -

Thanks again for the interview.

I received a number of concerned callers, from Tony Lewis, whom you know, to Simon Callow, an actor here who once played you in the Edgar play.

I hope the healing and writing is going well. If you need anything don't hesitate to call, any time.

Best always,  
Frank Clair
