RE: FINANCIAL ASSISTANCE

The following proposals for financial assistance are submitted for your consideration on behalf of the Natal/Transvaal Indian Congress.

1. CODESA installs one telephone and one fax machine (subject to 5 below) and pays for costs up to R400 per month.
2. CODESA provides collective photocopying facilities for organisations up to a cost of R1 250 per organisation.
3. A daily allowance be paid to CODESA delegates and advisors.
4. Office administrators (2 per organisation) should be provided with meals and tea but their salaries should be paid by their respective organisations.
5. Those in receipt of salaries from governments or government agencies should not be eligible for the above.
6. These allowances should be paid from 1 January 1992 retrospectively.

We urge that this matter be resolved as soon as possible.

Yours faithfully
