WORKING GROUP 1

1. Your draft letter dated 22 January 1992 received on 24 January 1992 has reference.
2. I regret the lateness of our response necessitated due to the particular problems associated with marshalling the relevant people at such short notice.
- 3. I attach (2 Pages) our view of the subdivision of the brief for the necessary discussion.
4. Although this might place a heavy burden upon the Working Group we would tend to the view that these sub-briefs should run concurrently in view of the essential interrelationship between all the items in the brief of the Working Group.
