re: Next meeting of Sub-Committee 4 of
Management Committee

I would like to propose that the next meeting of the
abovementioned Sub-Committee No.4 be held on Monday
15th June 1992 and not 17th June 1992 as was agreed at
the previous meeting.

The Sub-Committee has a full programme of work to deal
with and could proceed with the attached agenda, while
awaiting further directions from the Management
Committee concerning the re-assemble of WG4. The
Management Committee will in fact be meeting on
15 June 1992 and if necessary Sub Committee 4's
Permanent reporter to M C could then be available to
explain to the Management Committee the issues arising
out of Sub Committee 4's last meeting

Would you please contact all delegates and request
the consideration of this proposal and advise
accordingly.

I would propose the following agenda for the second
meeting of Sub Committee 4. Please ensure all
delegates receive the proposed agenda prior to the
meeting

1. Opening Prayer
2. Welcome by Charperon and Introduction of delegates
3. Apologies
4. Consideration of Minutes of meeting held on 8th June
1992.
5. Matters arising from the minutes
6. Work Programme

 - 6.1 Establishment of Bilateral Standing Committee for
each TBVC state and each National State to

investigate, research and report on those issues which will arise relating to the possible re-incorporation of these States into South Africa. In dealing with these issues the Bilateral Standing Committee should give consideration to regional solutions to those appropriate issues. The issues to be investigated are identified in WG 4's report to Codesa II and are as follows:-

1. Retention of Business Confidence and Taxation
2. Land Transfers
3. Disposal/Transfer of Assets and liabilities
4. Optional Use of Existing Infrastructure and Institutions
5. Review of Development Projects
6. Effective Administration during Transition
7. Future of Civil Service
8. Servicing and Repayment of TBVC Debt

The abovementioned bilateral committees will also be requested to look into all outstanding matters not as yet covered by WG4.

These are listed in WG 4's report to Codesa II under paragraph 4 and are as follows:-

- strategies to keep the people of the TBVC states fully informed, especially to avoid unfortunate misunderstandings;
- the time frames for such a re-incorporation and related processes;
- the exact form of authority in the TBVC territories;
- harmonisation of legislation and taxation;
- orderly termination of bilateral and multilateral agreements and treaties;

- JUN 10 10 05 AM '67 DEPT. OF JUSTICE DIVISION OF INVESTIGATION 6481 3137 P.4
- ensuring public accountability of actions taken for the purposes of re-incorporation;
 - the identification of specific constitutional, legal and political measure and steps which will have to be taken to effect re-incorporation.
- 6.2 Establishment of a Standing Task Group of Sub-Committee 4 to investigate research and report on all matters legal, juridical and legislative relating to issues arising out of re-incorporation. In this regard WG 4's report to Codesa II to be reviewed and all issues relating to agreements to be identified and researched.
- 6.3 Review of terms of reference for Sub Committee 4.
- 6.3.1 Planning of work schedule for sub-committee
