Progress Report by Sub Committee 4 to the Management Committee to be presented at M.C. meeting scheduled for 15 June 1992 at 10.00hrs

The Steering Committee of Working Group 4 convened on 8 June 1992 under the Chairpersonship of Ms Stella Sigcau.

In addressing the mandate given to the WG SC.4 difficulty was experienced in addressing issues relating to:

- (a) planning a work schedule to complete the terms of reference allotted
- (b) establishing a modus operandi for the sub committee and
- (c) planning a schedule of meeting for the sub-committee.

The reason for not being successful in accomplishing these tasks was due to the fact that the M.C. had provided no guidelines to the time schedule between Codesa 2 and proposed Codesa 3.

The Sub Committee addressed the issue of Chairmanship of the Sub committee and resolved to adopt a process of a rotating Chairperson for 2 meetings in succession. It was also agreed that Ms S Sigcau would continue in the role of permanent reporter to the M C.

In regard to the issue relating to the reservations of Ciskei and Bop in relation to the WG's report to Codesa 2 it was resolved that the reservations expressed by Bop would be included in the report. In regard to Ciskei it was felt that the position had been rectified by the statement made by Brig Gqozo at Codesa 2 which had been fully recorded in the proceedings of Codesa 2.

Ciskei were also of the opinion that other sections of WG 4's report to Codesa 2 required re-drafting but Sub Committee 4 resolved to address these issues in the course of dealing with all outstanding issues falling within its terms of reference.

The Sub Committee also addressed the issue of land motivation imposed by Codesa. It was agreed that those issues relating to communities in terms of promises made or compensation for land taken away would be investigated and TBVC delegates were requested to supply details to the Sub Committee at its next meeting.

It was agreed that the Sub Committee would re-assemble on 17 June 1992 at 10.00hrs.
