Dear Sirs,

In response to the invitation which appeared in The Natal Witness in Pietermaritzburg on 11 February 1992, Mr Michael Cassidy, International Team Leader of Africa Enterprise, has asked me to send you a copy of his book published last year The Politics of Love. He would especially like your attention drawn to Chapters 8, 9 and 10 of his book which appear under Part III: Love's Principles for People and Politics. The Chapters are entitled:

Chapter 8: Love's Necessity in Nations
Chapter 9: Love's Laws in Politics
Chapter 10: Love's Ways in the World

Michael Cassidy thought that as the terms of reference for Working Group 1 deal specifically with the creation of a climate for free political participation, that these particular chapters in his book would be helpful for the members of the working group to read and assimilate.

With our sincere best wishes and prayers that your deliberations may be constructive and fruitful.

Yours faithfully,

Yvonne Hardie
