Describe what happened: Apparently a few ballot sheets without the IFP stickers on past through. The mistake was later noted & the book was taken back. Thus there were a few spoilt ballots.

Reason why no one was there to actually see the incident was that the party agent who was inside was handling the toilet issue which could have arisen into security problem.

What did you do about it? I was not there but a party voting agent from the Workers List Party told me about it

What action was taken by the Presiding Officer or other officials?

Ballot book was taken in.
