Dear Mr Le Roux

On behalf of the organisations participating in CODESA, we would like to express our appreciation and gratitude in response to your most generous contribution of a set of video recordings of CODESA 1 to each of the organisations concerned.

The occasion was, as you will agree, one of historic significance. The importance of the service provided by the SABC in taking CODESA 1 into the homes of so many South Africans cannot be underestimated. We look forward to working with you again when CODESA 2 becomes a reality.

Yours faithfully
