The Ambassador
British Government

Your Excellency

On behalf of the CODESA delegation which observed the British elections, may I extend our sincere appreciation to your government for this valuable opportunity to observe an electoral process.

The programme arranged for us gave us a very useful insight into the law, conventions and practices guiding the electoral process in your country.

Notwithstanding the different situation in which we find ourselves in South Africa, many invaluable lessons of relevance to our own situation were obtained. The hospitality and kind attention of your government's officials in London made our stay a very comfortable one.

We would be available to meet with you at a mutually convenient time to share our observations with you, should you find this useful.

Yours sincerely

P J GORDHAN
