NATIONAL PEOPLES PARTY

1. PREAMBLE

It is our viewpoint that WG5 must continue to proceed i.e. adopting a PRO-ACTIVE stance irrespective of the number of submissions received.

2. PROGRAMME

WG5 can then be REACTIVE i.e. receive, digest, make recommendations, etc. when the various submissions are received.

2.1 Establish and maintain a mechanism for processing and keeping pace with incoming submissions from other W/Gs

2.2 Record those areas where (sufficient) consensus has been arrived at.

2.3 Prioritise areas of common ground.

2.4 Prepare relevant documentation to give effect to the agreement arrived at.

2.5 Receive updated decisions promptly from other W/Gs.

2.6 Seek legal advice i.e. preparatory documentaion to give effect to decisions (consensus).

3. TIME FRAMES

3.1 Set target dates for completion of assignments.

3.2 Having identified steps that need to be taken by the various parties at CODESA, time frames be set in conjunction with all WGs.

3.3 The sub-group which has been charged with the responsibility of setting up time frames and target dates to meet as frequently as is necessary to achieve its goals.
