DRAFT MINUTES OF THE FOURTH MEETING OF WORKING GROUP 3 (INTERIM ARRANGEMENTS) HELD ON 17 FEBRUARY 1992, 10H00 AT THE WORLD TRADE CENTRE

PRESENT:

Delegates and Advisers (see Addendum A)

K Andrew (chair)

C Coleman (secretary)

K Kweyama-Makgabo (minute-taker)

P Kleynhans (rapporteur)

T Madiba (rapporteur)

1. OPENING AND WELCOME

K Andrew opened the meeting at 10H00.

2. APOLOGIES

No apologies as every delegation was present

3. RATIFICATION OF MINUTES OF THE THIRD MEETING OF WORKING GROUP THREE

Adoption of minutes of the third meeting of WG3 was proposed by A Rajbansi, seconded by R Carlisle

4. ADOPTION OF THE AGENDA

The agenda was accepted with the provision that item 7 be kept flexible in order for delegates to make suggestions or changes after they have had an opportunity to read and discuss the rapporteurs report.

5. TABLING OF REPORT OF RAPPORTEURS

The meeting noted receipt of the Rapporteurs Report. It was agreed that the report is noted as the interpretation of the rapporteurs. It is at this stage neither official nor approved, but rather a working document designed to facilitate discussion. It is a record of the issues raised in discussion. Specifically, issues of commonality were not agreed. Rapporteurs are requested in future reports not to identify or record items of commonality unless requested to the contrary. The identification of items of commonality will emerge from proceedings of the Working Group.

6. TABLING OF REPORT OF WGSC3

The recommendations contained in the report of WGSC3 were accepted subject to the following comments:

6.1 RAPPORTEURS

Concern was raised by the IFP delegation that two rapporteurs were not sufficient for the workload. The delegation proposed that the two names proposed as rapporteurs be activated immediately to augment the present team of rapporteurs. It was indicated that A Gqokoma was available to work immediately and would be present at the next meeting. Ms. Zille would consult with her delegation about her availability.

6.2 SUB GROUPS

BJ du Plessis proposed that the WGSC3 further discuss the issue of sub-groups so that if and when a decision is taken to move into sub-groups, the procedures for doing so are in place and do not delay the progress of the WG. The Chair was requested to obtain clarity from the DMC on the structuring of sub-groups and committees. The meeting agreed that the issue of sub-groups would be revisited when the need arises.

6.3 MEETING WITH CODESA SECRETARIAT

L Landers reported on the meeting with the CODESA Secretariat. He raised the following points in the meeting, which were duly noted and accepted:

- 6.3.1 The DMC will appoint two people as a mechanism to scrutinize the minutes and proceedings of Working Groups to avoid overlap and communicate progress of the Working Groups.
- 6.3.2 It was noted that no formal requests for the immediate placement of advertisements in the media had been received by the MC from Working Groups.
- 6.3.3 The DMC would hold a press briefing every Tuesday. Working Groups that have any specific issue to raise should communicate with the DMC before this briefing.
- 6.3.4 On the issue of WG chairpersons, the WGs should decide how they wish to apply the principle of rotation and continuity.
- 6.3.5 All Working Groups, with the exception of WG3 have not yet appointed rapporteurs.
- 6.3.6 Procedures on the tabling and submission of documents by political parties was the responsibility of the individual organisation. A photocopier would be made available to delegations for their use on a credit card system.
- 6.3.7 Proceedings of WG meetings would be recorded for historical purposes. Personal and private recordings are not permitted.

7. EXPLORATORY DISCUSSIONS ON INTERIM ARRANGEMENTS

- 7.1 The discussion on these agenda items would take the form of an exploratory discussion. At the conclusion of the discussion, consensus will be recorded in a report by rapporteurs for adoption and decision by the Working Group.
- 7.2 These exploratory discussions would not be minuted but substantive points would be noted by the rapporteurs.
- 7.3 The point was raised that progress in the work of WG2 and WG4 would need to be monitored and a mechanism found to ensure that overlap with these Working Groups was avoided. This

- should be raised with the DMC. WG3 felt it to be within its terms of reference to discuss the role of the TBVC (and self governing) states in interim arrangements.
- 7.4 Preconditions tabled in the opening statements of delegations would be dealt with as part of agenda item 7.5 if not sufficiently covered in the preceding agenda items.
- 7.5 Mr. Gordhan proposed an additional item "Understanding the Transition" to be discussed after agenda item 7.1. This was accepted.
- 7.6 It was decided in response to a proposal by P Gordhan to discuss agenda item 7.2 on a trial basis within the framework of a phased approach to the transition.
- 7.7 The following agenda items were discussed:
- * Reasons/needs for interim arrangements
 - * Understanding of Transition
 - * Purposes and objectives of Proposed Interim Arrangements
- 7.8 The next WG3 meeting will continue with the exploratory discussion beginning with continuation of the item "Purposes and objectives of the proposed Interim Arrangements."

8. CONFIRMATION OF DATES FOR NEXT MEETINGS

The next meeting dates would be as follows:

Monday 24 February, 10H00 - 16H45

Monday 2 March, 10H00 - 16H45

Tuesday 3 March, 9H00 - 16H45

9 OTHER URGENT BUSINESS

- 9.1 The issue of parties that have not submitted proposals on interim arrangements was discussed. There was no obligation for these parties to make formal submissions. These delegations were participating in discussions and would be part of the decisions taken in the course of WG3's work.
