MINUTES OF THE MEETING OF WORKING GROUP 4 SUBGROUP 4 HELD AT WTC AT 10H00 ON MONDAY 09 MARCH 1992

(ADOPTED AT THE MEETING OF SUBGROUP 4 HELD ON MONDAY 23 MARCH 1992)

PRESENT: Delegates (see Addendum A)

D Govender (Chairperson)

W Antoine (Minute taker)

1. Chairperson's opening remarks

1.1 Delegates were welcomed by the chairperson and the meeting was opened with a minute of silent prayer.

1.2 It was agreed that future meetings would begin at the scheduled time, whether or not all delegates had arrived.

2. Apologies.

The delegate from Ciskei made apology for having to arrive late.

3. Confirmation of Minutes.

The minutes of the second meeting of Subgroup 4 were ratified subject to the following amendments that were agreed upon:

3.1 Additional to point 6.1, it was agreed that the minutes of the other Subgroups of Working Group 4 should be circulated to delegates of Subgroup 4 prior to each meeting.

3.2 In 4.3 the name Bulani Ngquke should read as Bulelani Ngcuka.

3.3 In Addendum A, RS Ramasias should read RS Ramasia, PB Soobrayan as P David and DW Auret as N van Heerden.

4. Agenda

The agenda was adopted after it was agreed to attend to items 5 and 6 before item 4.

5. Oral presentations of profile overviews by TBVC states.

5.1 Transkei.

The delegate from the Transkei Government gave a brief summary of the structure of their

government and then considered some specific implications of reincorporation on the various state departments. A document is to be tabled at the next meeting which records the details of this presentation.

#### 5.2 Bophuthatswana.

The delegate from the Bophuthatswana Government presented a purely factual summary of the structure of government. Reference was made to three documents, two of which have still to be tabled. None of the implications of non-reincorporation were addressed.

In response to a query, the delegate from the Bophuthatswana Government agreed to furnish further information with regard to the relative increase of numbers around tribal and municipal authorities.

#### 5.3 Venda.

The delegate from the Venda Government made his oral presentation by reading the profile document that had been submitted to the Subgroup at the previous meeting.

#### 5.4 Ciskei.

Delegates were briefly introduced to the background and structure of the Ciskei Government and were then referred to the relevant pages of the profile document (submitted at the previous meeting) wherein issues for consideration have been identified.

### 6. Discussion

6.1 Delegates expressed their concern that the failure by the delegate from Bophuthatswana to address his presentation within the terms of reference would undermine the contribution of the Subgroup and limit its influence in decisions affecting a future South Africa.

6.2 It was agreed that item (f) of 1.4 of the Terms of Reference for Subgroup 4 had been formally adopted, even though record of this had been omitted from the minutes of the first meeting of the Subgroup.

6.3 Further, it was agreed that the profile of Bophuthatswana should be examined in terms of this item (f) of 1.4.

6.4 It was agreed that the TBVC states would make submissions to Subgroup 4, in which the problems and advantages foreseen in regard to reincorporation, or otherwise, would be outlined and explored in terms of their political, legal and constitutional implications. Suggestions had to be made as to possible solutions.

6.5 It was agreed that these submissions would be made before the next meeting in order that delegates would have time to study the documents prior to the meeting.

### 7. Rapporteurs

7.1 The nomination for Mr M.D.B. Rezelman was withdrawn.

7.2 The curriculum vitae of Mr B Nquka was tabled (see Addendum B).

7.3 Delegates discussed what is required of a rapporteur and considered the two remaining nominees, being Mr B Ngcuka and Mr A Ramone, in the light of their discussion.

7.4 It was agreed by sufficient consensus to appoint Mr B Ngcuka.

## 8. Submissions

The following documents were tabled by Transkei:

8.1 Relevant Legislation.

8.2 Letter X.96. from the Minister of Foreign Affairs and Information

## 9. Future meetings.

9.1 Concern was expressed that, for some delegates, more time is spent travelling to meetings than being in the actual meeting. It was agreed that there is a need for meetings to be longer in order to achieve real progress. As previously agreed, this matter would be referred to the plenary session pending.

9.2 The next Subgroup meeting will be held on Monday 23 March 1992 at 10h00 to 16h00.

9.3 There will also be a meeting on Tuesday 24 March, 1992 at 10h00. It was decided that this meeting would end at 13h00.

**Note:** At its meeting held on 09 March 1992 at 14h00, the WGSC 4 decided that given the workload of the Subgroups they should meet on both the 23 and 24 March 1992. It was recommended that the Subgroups should meet until 16h00 on both days.

## 10. Closure

The chairperson closed the meeting at 13h30.

PRESENT: Delegates (see Addendum A)  
EK Moorcroft (chair)  
M Durrheim (minutes)

1. Apologies

N Nogcantsi  
B-Anderson

The abovementioned delegates were absent for the first half of the morning.

2. Chairperson's opening remarks

Delegates were welcomed by the chairperson and the meeting was opened with prayer.

3. Agenda

The agenda for the meeting was adopted.

4. Confirmation of minutes of meeting held on 2 March 1992

The minutes of the meeting held on 2 March 1992 will be amended as follows:

4.1 Point 6 will be amended to read as follows:

It was agreed that sub group 1 would submit to working group 4 that the management committee of Codesa set up an independent and objective broadcasting facility, perhaps called "Voice of Codesa". Broadcasting would be via all electronic media (TV, radio etc) at prime time. "Voice of Codesa" would broadcast directly from Codesa after the usual weekly press conference, so that it is seen to be objective and independent. The spokesperson would be the chair of the management committee.

4.2 The fourth paragraph of point 7.2.1 will be amended to read as follows:

It was agreed that the will of the people needs to be tested as soon as possible. In order to ascertain at what stage the referendum should take place it was felt necessary to liaise with working groups 2 and 3. It was agreed to suggest to working group 4 that a sub-committee be formed to liaise between these three working groups.

- 4.3 Point 7.2.4 will be amended to read as follows:  
The role of Codesa in the referendum was discussed. It was agreed that in South Africa the referendum should be Codesa-driven. With respect to the TBVC states it was agreed that the referendum should be Codesa-driven, with the co-operation of the states involved. The Bophuthatswana government recorded its objection to any role being played by Codesa in Bophuthatswana.
- 4.4 Point 7.2.5 will be amended to read as follows:  
Concern was expressed about the capacity of Codesa to play the kind of role the sub group envisaged for it unless its financial position could be improved. It was felt that Codesa should be bolstered by the international community and allowed to raise funds. It was felt that this problem should be drawn to the attention of working groups 2 and 3.
- 4.5 The minutes were adopted together with the above amendments.

## 5. Matters arising

### 5.1 Election of a Rapporteur

The National Party stated that, in view of the important progress sub group 1 has made, in the spirit of co-operation that the respective delegations have established at Codesa thus far, and in the belief that this spirit of co-operation can be extended to all delegations when needed in future, the National Party was prepared to withdraw its nomination for a rapporteur. The National Party appealed to the SACP to withdraw their nomination for a rapporteur and agree that the chairperson of sub group 1 should continue to report back to working group 4. The SACP agreed to this proposal.

It was agreed that the chairperson of sub group 1 will report back to working group 4 and liaise with the two rapporteurs appointed by working group 4 in the drawing up of the report for Codesa 2.

### 5.2 Strategies for information

Delegates were informed that the steering committee of working group 4 had requested that the sub group include this request in its report to working group 4.

### 5.3 Liaison with working groups 2 and 3

Delegates were informed that the steering committee of working group 4 had suggested that sub group 1 include the request for liaison between sub group 1 and working groups 2 and 3 in its report to working group 4.

## 6. Review of progress made

### 6.1 The chairperson presented a "Summary of Proceedings" (Addendum B).

6.1.1 During the ensuing discussion it was agreed that with regard to eligibility of voters sub group 1 is unable to make a recommendation until it has heard the recommendations of sub group 2 of working group 4 and working groups 2 and 3.

6.1.2 It was agreed that the Summary of Proceedings be adopted by the sub group and

included in the minutes (Addendum B).

- 6.2 Delegates agreed upon the wording of a document headed "Final Summary of Proceedings" which will be included in the minutes (Addendum C) and presented to working group 4.

7. **Votes of thanks**

All delegates thanked the chairperson for the role he had played in facilitating the working of sub group 1. The chairperson also thanked the delegates for the positive spirit of co-operation evident during proceedings.

8. **Date of next meeting**

It was agreed not to set a date for the next meeting of sub group 1 until there has been liaison with the other sub groups and working groups referred to above.

## ADDENDUM B

## PRELIMINARY SUMMARY OF PROCEEDINGS OF SUB GROUP 1 (TESTING THE WILL OF THE PEOPLE) OF WORKING GROUP 4 (THE FUTURE OF THE TBVC STATES)

1. Sub group 1 approached its brief in the following way:  
first it dealt in broad general terms with points 1.1 to 1.3 of its terms of reference, which include the investigation of the relationships between the TBVC states and South Africa under a new South African constitution. In particular it sought to identify key issues and problems, as well as areas of commonality between participating delegates. Two key issues were identified. These are:
  - 1.1 Is it desirable to support the re-incorporation of the TBVC states into a new South Africa? and
  - 1.2 Is it desirable to test the will of the people regarding re-incorporation?
2. The question of testing the will of the people forms part of the specific brief of sub group 1.
  - 2.1 As a consequence of debate, together with perusal of written submissions, the following areas of commonality have been identified:
    - 2.1.1 All delegates, with the exception of Bophuthatswana, have no objection to re-incorporation. Bophuthatswana is still considering constitutional options.
    - 2.1.2 All delegates, with the exception of Bophuthatswana, agree that the people themselves should have a deciding vote in this matter, i.e. the will of the people must be tested. Bophuthatswana has expressed the view that such a decision should be the responsibility of the Bophuthatswana government.
3. There was broad agreement between those delegates who supported the concept of "testing the will of the people" that the best way of testing this will would be by means of a referendum. The SACP stated that whereas its attitude was that restoration of citizenship by the SA government was desirable, it was nonetheless not averse to a referendum.
4. All delegates agreed that the referendum should not be held on the basis of race or ethnicity.
5. There was also general agreement (with the exception of Inkatha) that the referendum should be held on a nation-wide basis i.e. that separate referenda should not be held in each TBVC state independent from the rest of the RSA.
6. Two key issues were identified. These were:
  - 6.1 The question to be asked in the referendum, and
  - 6.2 The timing of the referendum.
7. Central to these two issues will be the recommendations made by sub group 2 regarding the constitutional

future of the RSA. It was agreed that when these recommendations are put to the people of South Africa for their approval, then they should be put to the people of the TBVC states also.

- 7.1 The Bophuthatswana government recorded its position i.e. that if the Bophuthatswana government decides that it is necessary to test the will of the people, the ensuing referendum would be conducted by the Bophuthatswana government.
8. It would then follow that rejection of the recommendations by the people of any one or more of the TBVC states would also indicate rejection of the idea of re-incorporation by that state or states.
9. It was agreed that if the will of the people in the TBVC states is to be tested, then it will be necessary to count the votes of the people in those states separately from those of people in the rest of the RSA.
  - 9.1 The ANC, SACP, and NIC/TIC placed on record that they would not accept a referendum in which separate counting was done on the basis of race or ethnicity.
10. With regard to the timing of the referendum, it was agreed that the will of the people in the TBVC states should be tested as soon as possible.
  - 10.1 It was felt strongly by the ANC, SACP and NIC/TIC that all the people of the TBVC states should be given the opportunity to participate in the transitional arrangements and in the drawing up of the new constitution.
11. It became clear that a difficulty existed between those who believe that re-incorporation should take place sooner in order that the people of the TBVC states should be able to participate more fully and those who believe that re-incorporation should take place later so that the people will not be called upon to "take a step in the dark" i.e. they should first know what it is that Codesa has decided.
12. It was pointed out that the difficulty was rooted in the problem of co-ordinating the proceedings of working groups 2, 3 and 4.
13. The NIC/TIC, ANC and SACP placed on record their position that re-incorporation of the TBVC states should be by means of a unilateral act by the South African government.
14. The eligibility of voters was discussed i.e. who would be eligible to vote in the TBVC states. Would it be citizens only, or would residents also be included?
  - 14.1 Bophuthatswana made it clear that only those in possession of Bophuthatswana citizenship would be allowed to vote, although it was stressed that this citizenship was open to all who resided within the boundaries of that state.
  - 14.2 It was agreed that with regard to eligibility of voters sub group 1 is unable to make a recommendation until it has heard the recommendations of sub group 2 of working group 4 and working groups 2 and 3.
15. There was strong agreement that the referendum should be Codesa-driven.
  - 15.1 With regard to the TBVC states, it was agreed that the referendum should be supervised by Codesa provided that this was done in co-operation with the administrations of the respective states.

- 15.2 The Bophuthatswana government recorded its objections to any role being played by Codesa in Bophuthatswana.
  - 15.3 Concern was expressed that unless Codesa's financial capacity was increased, it would not be able to play the kind of role envisioned for it.
  - 15.4 It was agreed that the possibility of Codesa recruiting international funding be pursued.
16. It was agreed that if the people of the TBVC states were to be kept fully informed of the proceedings of Codesa, then full use should be made of all electronic media, (TV, radio etc). It was suggested that a "Voice of Codesa" be created which would broadcast directly from Codesa after the usual weekly press conference. The spokesperson would be the chair of the management committee. The reports would then be seen to fair, free and objective.

## ADDENDUM C

## FINAL SUMMARY OF PROCEEDINGS OF SUB GROUP 1 (TESTING THE WILL OF THE PEOPLE) OF WORKING GROUP 4 (THE FUTURE OF THE TBVC STATES)

With the exception of Bophuthatswana, which expressed certain reservations, sufficient consensus has been reached on the following points related to our terms of reference:

- a) That the will of the people in the TBVC states be tested.
- b) That such a test be done concurrently with the rest of South Africa and that race or ethnicity should play no role in the process.
- c) That testing be done by way of a referendum.
- d) That the question asked be related to the constitutional recommendations/proposals made by Codesa.
- e) With regard to the eligibility of voters this sub group is unable to make recommendations until it has heard the recommendations of sub group 2 of working group 4 and working groups 2 and 3.
- f) That the referendum should be driven by Codesa in co-operation with the administrations of the respective states.
- g) That a 'Voice of Codesa' be established.

The following additional points are for noting:

- i) That the referendum take place as soon as is practically possible (pending 'd' above).
- ii) That a liaison committee be established in order to co-ordinate the further proceedings of Working Groups 2, 3 and 4.

THESE ARE DRAFT MINUTES, AS APPROVED BY THE CHAIRPERSON. THEY ARE CONFIDENTIAL AND RESTRICTED TO MEMBERS OF THE WORKING GROUP SUB-GROUP 2, THE WORKING GROUP, THE MANAGEMENT COMMITTEE AND THE DAILY MANAGEMENT COMMITTEE. THEY ARE STILL SUBJECT TO RATIFICATION BY THE WORKING GROUP SUB-GROUP 2 AT ITS NEXT MEETING.

**DRAFT MINUTES OF THE FOURTH MEETING OF SUB-GROUP TWO (CITIZENSHIP) OF WORKING GROUP 4 (FUTURE OF THE TBVC STATES) HELD AT THE WORLD TRADE CENTRE ON MONDAY 9 MARCH 1992 AT 10h00**

PRESENT: Delegates (See Addendum A)

CTD Marivate (chair)

J Steinberg (minutes)

APOLOGIES: none

**1. Role call**

All delegates were present and noted with the exceptions of B. Keikelame (Bophuthatswana Government), JA Jordaan (Democratic Party) and MT Khosa (Ximoko Progressive Party).

**2. Confirmation of Agenda**

The agenda was confirmed with an additional discussion on administration.

**3. Opening remarks of the chairperson**

The delegates were welcomed by the chairperson. The chairperson appealed for progress and harmonious resolution.

**4. Minutes**

The minutes of sub-group 2 meeting of 2 March 1992 were adopted with typographical changes.

**5. Nominating a rapporteur**

5.1 The National Party withdrew its nomination of Marius Rezelman for the position of rapporteur. Geoff Budlender was thereby automatically confirmed as rapporteur for sub-group 2 of WG 4.

**6. Proposed alteration to the wording of point 8. in the**

minutes of the meeting of sub-group 2, 2 March 1992.

6.1 The South African government proposed that the wording of point 8 in the minutes of the meeting of sub-group 2, 2 March 1992 be amended. The clause reads "Sub-group 2 of working group 4 has reached sufficient consensus that South African citizenship be restored. In this regard there are two views:" The South African government proposed that the clause be changed to read as follows: "Sub-group 2 of working group 4 has reached sufficient consensus that South African citizenship be restored and that in this regard there are two views:" The SA government's motivation was that putting the statement into one clause would reduce the possibility that it would be quoted in such a manner that its intended meaning would become obscured.

6.2 The meeting resolved that the wording in the minutes would remain unchanged since it accurately represented the consensus reached on 2 March.

## 8. Citizenship

8.1 Sub-group 2 of WG 4 reached consensus on the principle that South African citizenship be restored.

8.2 It was agreed that the question of subjecting the restoration of citizenship to the will of the people be referred to sub-group 1 of WG 4.

8.3 It was further agreed that the question of the mechanics, time span and implementation of the restoration of citizenship be referred to WG 5.

## 9. The distribution of minutes and agendas

9.1 Delegates again raised the objection that the timespan between their acquisition of minutes and agendas and the commencement of meetings was inadequate vis a vis embarking on sufficient processes of consultation.

## 10. Further Meetings

The next meeting of sub-group 2 of WG 4 will be held on Monday 23 March 1992 at the World Trade Centre at 10h00.

## 11. Closure

The meeting was closed at 13h05.
