COMMUNICATION TO WORKING GROUP STEERING COMMITTEES (WGSCs) FROM THE DAILY MANAGEMENT COMMITTEE

1. Rapporteurs

In response to a query from Working Group 3, the DMC at its meeting on 2 March 1992 considered the question of rapporteurs. In order to bring about some measure of uniformity the DMC would like to advise the Working Groups as follows:

- 1.1 Each Working Group should have a maximum of two rapporteurs per Working Group.
- 1.2 Where a Working Group has established/establishes Sub-Groups in order to facilitate its work, it is recommended that there should be a maximum of one rapporteur per Sub-Group and that this should be inclusive of the two rapporteurs for the full Working Group meetings.
- 1.3 CODESA will bear the travel and administration costs of those Rapporteurs who would also be eligible for the per diem allowance if applicable.
- 1.4 With regard to substitution, in place of a person appointed as a rapporteur, it was agreed that:
- 1.4.1 The general rule is that no substitutions should be allowed. That is to say, a person serving in his/her delegation continues to serve in that delegation whilst also performing the task of rapporteur.
- 1.4.2 Where the rule of no substitution has already been overlooked (as in Working Group 3), the status quo should remain. However when new decisions in this regard are made by any Working Group, Clause 1.4.1 (above) should be implemented.
- 1.4.3 Notwithstanding the above, where a Working Group has a special case to make, this should be raised with the DMC.

Sub Groups and Sub-Committees:

The DMC agreed to encourage Working Groups to evolve a measure of consistency with reference to any substructure they may create. The term "Sub-Groups" should apply to those sub-structures which have all parties/organisations on it. The term "Sub-Committees" should be used to refer a smaller group of individuals appointed by the Working Group to perform particular tasks. Working Groups are also requested to avoid creating sub-structures which may have the tendency to slow down processes rather than facilitate the Working Group in discharging the task entrusted to it.

3. Coordination of Working Groups:

- With regard to the issue of coordination between WG2, WG3 and WG4, it was agreed that the Chairperson of the DMC and the Secretariat, in consultation with the Chairpersons of the relevant WGSCs make proposals to the next DMC meeting.
- 3.2 It was agreed that, in addition to requesting the secretaries and minute takers of the different CODESA structures to accentuate decisions in the minutes with underlining, WGSCs be asked to summarize their agreements up to date. Such agreements would then be circulated to all Working Groups.
- 4. With regards to the question of coordination between Working Group 3 and Working Group 4, a meeting between the Steering Committees of the two Working Groups be arranged in order to discuss this matter.

5. Date of CODESA 2:

The DMC is looking into the question of the date when CODESA 2 should be held. As you are aware it was decided at CODESA 1 that CODESA 2 should be held not later than the end of March. Attached is a memo from the DMC on this question.

CC Members of the Management Committee Members of the Daily Management Committee

DELEGATE FACT SHEET NO 2 2 MARCH 1992 I. ADMINISTRATIVE ARRANGEMENTS/FACILITIES

The main aim of the Administration is to:

- * Ensure accurate records of all meetings
- * To provide documentation in the hands of delegates on time
- * to provide facilities for the functioning of all CODESA structures.

There are, however, a few practical problems. The main issue revolves around the programming of CODESA's activities, so as to enable the Administration to achieve this aim.

The following pattern has emerged in CODESA's activities:

- * Mondays and Tuesdays are used for meetings of WGs, WGSCs, Subgroups, Sub-committees and the DMC/MC. These meetings have increased considerably. For instance, on Monday 2 March, 22 meetings are scheduled. Immediately after these meetings, secretaries and minute takers have to start writing the minutes.
- * The deadline for the draft of the minutes, approved by the relevant chairperson, of all the above-mentioned meetings is Wednesday 12h00. This means that in the case of some minutes, less than 24 hours are allowed for a draft of the minutes of any meeting. The Secretariat has initiated a meeting with the five secretaries of the Working Groups to be held regularly on Tuesday evenings, with the following aims:
 - + To raise and discuss all administrative problems
 - + To monitor the functioning of the Working Groups
 - + To enable the Secretariat to compile a report to the DMC and
 - + To enable the Secretariat to compile the DMC/MC Agenda.

The process of faxing the draft minutes, approved by the different chairpersons, to the WG and WGSC members, is then initiated on Wednesday afternoon and takes two and a half days to complete (with 4 technically-advanced fax machines working 24 hours a day). Any problems with regard to not receiving faxed minutes, or late reception of minutes, should please be communicated to the Administration.

Against this background, it is important to also note that before CODESA 1, parties/organisations/administrations have been requested to submit the names of suitable administrative staff. This same request was made again on 12 February. As work increases, CODESA Administration is able to take on more staff. The sole test in this regard is competence.

It must be pointed out, however, that so far, parties/organisations/administrations have responded primarily to requests at the level of Security. Staff requirements for CODESA have now moved into specific areas, requiring specific competence, for example, minute taking. At present, the secretarial and administrative staff component is adequate. It is also important to note that before CODESA 1, it was approved by the Steering Committee to appoint the Consultative Business Movement (CBM) as an independent body to provide the core of the staff for the CODESA Administration. All staff appointments are therefore made under the aegis of CBM.

DELEGATE FACT SHEET NO 2

II. FINANCIAL ASSISTANCE TO PARTIES/ORGANISATIONS IN CODESA

It is suggested that parties, organisations or administrations make use of this opportunity to facilitate preparations for CODESA II.

These will include the following: telephone calls, fax costs, photocopying costs, rental of equipment and secretarial services. - Please note that CODESA cannot provide any equipment such as word processors, fax machines or photocopiers or render any of these services for or on behalf of parties, organisations or administrations or their representatives on working groups. These must be provided for by each party, organisation or administration. One photocopier has been made available for the service of party offices. It is controlled by Aaron Tshehla, and is situated underneath the escalator. At present requests for copying should be given to him in writing (forms obtainable at the machine). These will be attended to on a first-come, first-served basis, PLEASE NOTE THAT ALL COPIES MADE ON THIS MACHINE WILL BE CHARGED TO THE ORGANISATION AT 15C PER COPY.

- 1.6 PLEASE NOTE THAT AS FROM 3 MARCH 1992 ALL LIQUOR AT MEALS WILL BE ON A CASH BASIS.

PER DIEM ALLOWANCES TO DELEGATES AND OFFICIAL ADVISERS

- 1.1 A <u>per diem</u> allowance of R200 per delegate or official adviser for the days on which meetings of *CODESA* are attended may now be claimed. This will only apply to persons not receiving remuneration from State sources. It, however, excludes state/administration officials who have been granted leave without pay to attend meetings of *CODESA*. Documented proof of this will be required.
- 1.2 Income tax will have to be deducted from <u>per diem</u> allowance payments. Delegates claiming <u>per diem</u> allowances must please complete a registration form (available from our Financial office and a separate claim form for allowances.
- 1.3 Allowance may be claimed retrospectively from 13 January 1992.

CLAIMS FOR TRANSPORT AND SUBSISTENCE

- 1.1 Claims for transport and subsistence must please be completed and submitted individually for each separate meeting by every representative and adviser. Only claim forms bearing the printed date for the specific meeting can be accepted.
- 1.2 <u>Faxed</u> copies of claims, flight tickets and hotel bills are unfortunately unacceptable. All claims must please be original and accompanied by original proof of expenditure.
- 1.3 CODESA does not refund telephone calls, valet services, bar charges, cigarettes or any claims for meals taken at hotels in stead of those offered at the World Trade Centre on the days of meetings.
- 1.4 When claiming for cost of travelling by car, please note that the <u>car registration</u> <u>number</u> must please be supplied and that the kilometers travelled should reflect the shortest route. The engine capacity of your vehicle must also be stated in cubic centimeters.
- 1.5 CODESA only refunds air fares in the economic class. Bookings made through one of our accredited travel agencies may also only be made in the economic class. To facilitate problems experienced with travel, accommodation and transport problems, CODESA now has a special CODESA TRAVEL OFFICE in the World Trade Centre coordinating with the various agencies and you should not hesitate to call them at (011) 397 2452.
- Hotel accommodation booked through any of our accredited agencies must please be made at least 48 hours prior to day of arrival. Should you not take up the accommodation booked for you, you will be personally held responsible for the "no show"-fee charged to CODESA. This also applies in respect of accommodation not used for the full period booked.
- 1.7 CODESA only accepts responsibility for hotel accommodation (when necessary) on the night before and/or after meetings.
- 1.8 CODESA can unfortunately not accept claims for 5-star hotels and/or suites. Should delegates or advisers make their own arrangements for accommodation in such hotels, CODESA can only refund an amount equivalent to the tariff negotiated by CODESA with either the Jan Smuts Holiday Inn or the Airport Sun.

- 1.9 When transport is required from airports in Johannesburg, requests should be made at least 24 hours prior to your arrival. Once again, if you have requested transport and do not make use of it on arrival, you will be personally held responsible for the costs incurred.
- 1.10 CODESA does not accept claims for car hire.
- Please note that *CODESA* only accepts responsibility for transport arrangements between hotels, the airports and the *World Trade Centre* for official meetings of *CODESA*. We do not provide transport for representatives, their advisers or support staff to attend meetings other than those of *CODESA* in the *World Trade Centre*, elsewhere in Johannesburg or its surroundings.
