4**

DATE: 2 JUNE 1992

The Management Committee at its meeting of 1 June 1992 agreed to reconvene the Steering Committee of Working Group 4 (WGSC 4) as a Sub-Committee of the MC. The first meeting of the Sub-Committee 4 is scheduled for Monday 8 June 1992 at 10h00 at the World Trade Centre.

The purpose of the first meeting is to plan a work schedule with regard to the Terms of Reference (attached), to draft a modus operandi, plan a schedule of meetings for the next few weeks and to, where possible, proceed with work on the basis of the attached Terms of Reference.

Please note that the Bophuthatswana Government has registered a reservation with regard to Item 2.3 of the attached Terms of Reference which will only be finalised at the MC meeting of 15 June 1992.

Please also note that the Ciskei Government registered reservations at the MC meeting of 1 June 1992 in respect of the report tabled by Working Group 4 at Codesa 2. This matter should be discussed at the first meeting of the Sub-Committee on the understanding that if it cannot be resolved in the Sub-Committee, it may have to be taken the Working Group 4 which the MC may convene on the advice of the Sub-Committee.

Bearing this in mind, it is possible that the meeting may continue until late afternoon.

The last Chairperson of the Steering Committee will act as Chairperson for this first meeting of the Sub-Committee. In terms of a decision taken by the MC on 1 June 1992, additional members may be nominated by the MC to the Sub-Committee in due course.

Travel and accommodation arrangements will be handled by Tania Swart at the CODESA Travel office.
