2.1.2 Item 5 was deleted.

3A. Adoption of Minutes

3B.1 The following parties made submissions on their general constitutional principles :

3B.1.1 Labour Party

3B.1.2 National Party

3B.1.3 United People's Front

4. Discussion of Steering Committee Documents

4.1 It was noted that the document "Provisional Areas of Commonality that Already Exist" should not have been released to the press.

4.2 It was agreed that parties could make written proposals to the Steering Committee regarding additions to the documents "Provisional Areas of Commonality that Already Exist" and "Key Issues to be Addressed" and that the Steering Committee would consider amending the document accordingly.

5. Handling of Submissions by Public

5.1 This item was removed from the agenda.

6. Discussion of Key Issues

6.1 The Balance Between Central, Regional and Local Government

6.1.1 Written and verbal submissions were presented by :

- 6.1.1.1 Ciskei Government
- 6.1.1.2 Ximoko Progressive Party
- 6.1.1.3 Democratic Party
- 6.1.1.4 Labour Party
- 6.1.1.5 Solidarity
- 6.1.1.6 Venda Government
- 6.1.1.7 Inkatha Freedom Party

6.1.2 It was agreed that those parties who had made verbal submissions will supply delegates with written submissions at the next meeting.

6.1.3 Common Ground on Possible Principles

6.1.3.1 The South African Government suggested there was common consensus on the following four principles :

6.1.3.1.1

A three tier government structure with the first tier being central government, the second regional government, and the third being local government.

6.1.3.1.2

Each tier of government should be based on democratic representation.

6.1.3.1.3

Each tier shall have legislative, judicial and fiscal autonomy and the duties, powers and functions of each shall be set out in the constitution.

6.1.3.1.4

In addition to those powers, duties and functions enshrined in the constitution, the central government may delegate further powers to the lower levels of government.

6.1.3.2 The IFP and the ANC expressed support for the four principles. The ANC added that each level of government should respect the constitution and the Bill of Rights.

MIN1702.WP (5)

- 6.1.3.3 It was agreed that the Steering Committee would draft a document setting out these principles and present this to the next meeting as a working document.
- 6.1.4 The Inyandza National Movement proposed that consideration should be given to whether different tiers of government should have concurrent jurisdiction regarding certain duties, powers and functions.
- 6.1.5 It was agreed that discussion of the principles of comunitarity regarding the balance between central, regional and local government would not prevent any party from putting forward arguments and presentations at future meetings.

7. Next Meeting

It was agreed that the Working Group will meet on Monday, 24 February 1992 from 10h00 to 17h00 and on Tuesday, 25 February 1992 from 09h00 to 15h00.

24 FEBRUARY 1992

**DRAFT DOCUMENT ON COMMON PRINCIPLES REGARDING THE BALANCE BETWEEN

2. At each level there shall be democratic representation and the general principles of the constitution, including the terms of the Bill/Charter of Fundamental Rights shall apply to each level.
3. Each level of government shall have legislative and executive powers, duties and functions which shall be entrenched in the constitution.
4. In addition to the powers, duties and functions entrenched in the constitution, the central government may delegate powers, duties and functions to regional and local government.

Mr P J Gordan
Chairman: Daily Management Committee of
CODESA
P O Box 307
Isando
1600

Dear Mr Gordan

I am writing to you in my capacity as Chairman of the Steering Committee of Working Group 5, which met at the World Trade Centre on Monday 24 February 1992.

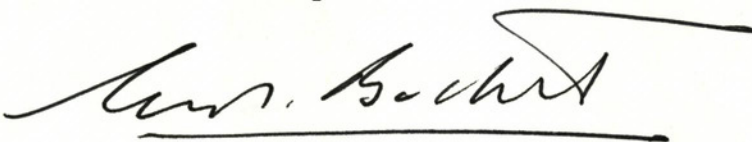

You will note from the Terms of Reference of Working Group 5 that this Working Group has to monitor the agreements, recommendations, etc, of the other four working groups and for this reason it was requested that Working Group 5 be provided with the minutes of all the other working groups' meetings.

Our main concern and interest are the decisions, resolutions and recommendations of the various working groups and to facilitate our work we would like to recommend that all minutes should follow the line which we note has been adopted by Working Group 2. Here I am referring in particular to the minutes of the fourth meeting of Working Group 2 held on Monday, 17 February 1992 (see Annexure A). Page 4, item 6.1.3.3, states "it was agreed that the Steering Committee would draft a document setting out these principles and present this to the next meeting as a

working document". At the end of these minutes is attached a draft document with the heading, "24th of February 1992 - Draft Document on common principles regarding the balance between central, regional and local government prepared by the Steering Committee of Working Group 2". If each working group would provide as an addendum to their minutes, such a document itemising agreements, proposals, etc, this would facilitate the task of Working Group 5 considerably.

As I am sure you will appreciate, Working Group 5 has a great deal of paper work to get through, and an additional suggestion that would assist us greatly is that the minutes should reflect primarily resolutions, recommendations and decisions and not too much of the content of the debate. Underlining the words, "it was agreed" or "it was recommended" whenever an agreement is reached or a recommendation is made, so that this can be picked up quickly, would also be helpful.

Yours sincerely

A handwritten signature in cursive script, appearing to read "G S Bartlett", written in dark ink. The signature is fluid and somewhat stylized, with a long horizontal stroke at the end.

G S Bartlett

Chairman of Working Group 5 Steering Committee
