### **CORRECTION OF SABC PRESS STATEMENT**

The Working Group 4 of Codesa which is dealing with the future of the TBVC states, expressed concern at the statement which was released by the SABC TV1 news on the morning of 18 February 1992.

That which amounted to a mere correction of the part of the draft minutes of the previous meeting, was distorted and presented as a forced retraction of a firm decision.

Nothing of the sort took place.

An amendment to a clause in the minutes of Group 4 on the re-incorporation was made with the agreement of all the parties, to the effect that "various political formations stated their positions on this matter". Several of the groupings expressed themselves favourably disposed in principle to re-incorporation.

The implications of re-incorporation or non-re-incorporation were referred to the sub-committee to investigate.
